Gospel Circle Discussion Questions

## **WEEK 1: The War is over.**

1. What are some reasons Christians stay in the jungle of DIY religion instead of responding to God's declaration that the war is over + they have been freed from fear?
2. Did you ever believe the lie that God was recording your sins? And now that you know the truth that God keeps no records of your sins, how does that make you feel?
3. How do you respond when someone tells you that God is mad at you?
4. Now that you know the truth that Jesus took all of your punishment, do you think God's going to punish you again?
5. Does God love you because you kept the rules or because He is your father?
